SANSKARAM UNIVERSITY

Late Shri Master Dayanand Ji 1942 - 2004

Educationist Philanthropist And Visionary

he Sanskaram Group of Institutions. established hy the Master Davanand Memorial Educational Trust, stands as a testament to the indomitable courage and indefatigable efforts of its Chairman, Dr. Mahipal. This initiative was created in loving memory of his father. Shri Master Dayanand, a doting father as well as a passionate educationist, philanthropist, and visionary leader. Shri Master Davanand dreamed of establishing a conglomerate of educational institutions that exemplify quality and innovation, nurturing students with the knowledge and competence to script their success stories. The foundation of realising this dream was laid by Dr. Mahipal in 2015 with the establishment of Sanskaram Public School in Khatiwas. Haryana. Since then, the Sanskaram family has grown by leaps and bounds, with the addition of Sanskaram International School. Patauda in 2019. Sanskaram College of Veterinary & Animal Science in 2021. and many more institutions-Sanskaram Degree College. Sanskaram Law College. and Sanskaram Pharmacy College-in 2023. In 2022, the long-cherished dream of late Master Dayanand reached fruition with the establishment of Sanskaram Hospital & Trauma Center and Sanskaram University.

Education is the key to success in life, and teachers make a lasting impact in the lives of their students.

Greetings!

Dear Students, Faculty Members and Stakeholders,

MS. DIVYA DIRECTOR - MEDIA

A Journey of Excellence & Growth

he journey of Sanskaram Group began with the establishment of Sanskaram Public School. Khatiwas, Jhajjar, marking the first step toward providing quality education. From there, the vision expanded, leading to the creation of various colleges, a hospital, and ultimately the establishment of a university. Each institution within the Sanskaram Group reflects our commitment to excellence in education, healthcare, and research. Over the years, Sanskaram has grown into a dynamic educational ecosystem, shaping the future of thousands of students and contributing to the development of both individuals and society. This ongoing journey continues to inspire and empower students, fostering a legacy of leadership, innovation, and community service.

Overview Sanskaram University

anskaram University, established in 2024, is an esteemed institution, under the Haryana Private Universities Act 2006 (Haryana Act No. 3 of 2024), demonstrating a strong commitment to academic excellence and holistic development. Recognized by the University Grants Commission (UGC) under section 2(f) of the UGC Act 1956, our campus is strategically located just 40 km from the bustling New Delhi International Airport. We take pride in our comprehensive accreditations, including approvals from esteemed bodies such as the All India Council of Technical Education, Bar Council of India, Pharmacy Council of India, and Veterinary Council of India. We offer diverse range of programs including B. Tech with specializations in cutting-edge fields like Artificial Intelligence and Data Science, Law, Pharmacy, Agriculture, Management, and BMLT. These programs are designed to prepare our students to lead in an everevolving global landscape. Sanskaram prides itself on fostering meaningful partnerships with industry leaders such as Apple, Microsoft, the Airports Authority of India, Radisson Blue, facilitating invaluable academic collaborations and international exchange programs. Moreover, we are committed to nurturing aspiring civil servants and professionals, offering free coaching for UPSC, Haryana Civil Services, Judicial Examinations, and various competitive exams. In our pursuit of academic excellence, we strive to make quality education accessible to all by offering scholarships of up to 100% in our undergraduate programs. We believe in empowering our students to realize their full potential and shape a future of innovation and development, leaving a lasting mark on society.

Schools and Academic Programs Overview

Sanskaram University, located in Haryana and approved by Govt of Haryana is recognized as a leading multidisciplinary Higher Education Institution in the country.

anskaram university welcomed its first batch of students in July 2024. The University aims to become an internationally recognized institution that excels in multidisciplinary and interdisciplinary education, research, and innovation. Graduates from the university will possess deep knowledge in their chosen fields, strong problem-solving skills, effective teamwork abilities, excellent communication skills, and a commitment to lifelong learning. The University has developed a curriculum that spans diverse subjects like Humanities, Engineering, Health & Allied Sciences Medical, Pharmacy, and Agriculture encouraging students to make connections between diverse fields of knowledge. Further, it promotes collaborative learning through projects that require inputs from various disciplines, reflecting the complexity of the real-world issues. It has established partnerships with local and global communities to address pressing social issues through service learning, internship, and community-based research. In addition to this wide range of programs, the university offers programs on mindfulness, yoga, and holistic health to support the physical, emotional, and spiritual wellbeing of students. Sanskaram University is unwavering in its commitment to prioritizing students above all else. With a low student-to-faculty ratio, the university ensures that every student receives ample individual attention and personalized mentoring. The focus on students' success is a core reason why Sanskaram university is considered one of the best private university in Haryana.

Vision and Mission of the University

To be known globally for value-based education, multidisciplinary research, innovation, and creativity.

MISSION

Establish state-of-the-art facilities for global education & research.

Collaborate with society and industry to align the curriculum.

Encourage lifelong learning and team-based problem-solving through an enabling environment.

Inculcate values and ethics with societal & environmental
