# SANSKARAM AYURVEDIC MEDICAL COLLEGE & HOSPITAL

# BACHELOR OF AYURVEDIC MEDICINE & SURGERY (BAMS)

**S**anskaram University in Jhajjar, Haryana, offers a comprehensive Bachelor of Ayurvedic Medicine and Surgery (BAMS) program that integrates classical Ayurvedic principles with modern medical science. This full-time undergraduate course spans 4.5 years, & compulsory 12-month internship, providing students with both theoretical knowledge and practical experience in holistic healthcare.

The curriculum encompasses various aspects of Ayurveda, such as herbal pharmacology, Panchakarma therapies, diagnostic techniques, and patient care. Students are trained to diagnose and treat ailments using natural and holistic approaches, equipping them to become licensed Ayurvedic practitioners.

## PROGRAM HIGHLIGHTS

- Duration : 4.5 Years Academic Study +  
1 Year Mandatory Internship
- Recognised : Approved by NCISM (National Commission for Indian System of Medicine)  
Admission through Centralized Counselling
- Eligibility : 12<sup>th</sup> Pass (PCB)  
(NEET QUALIFIED)
- Intake Capacity : 100 seats

## INFRASTRUCTURE

Sanskaram Ayurvedic Medical College & Hospital houses well-equipped laboratories, fully digitalised classrooms, separate hostels for boys and girls, and hospital facilities available on the University campus.

The college is built over a sprawling campus of more than 2 acres, with the building being aesthetically designed and built as per National Commission for Indian System of Medicine (NCISM) norms.

The faculty is backed by an in-house research hospital, dissection hall, yoga hall, herbal garden, and a library, which is available with periodicals, books and journals.

## LECTURE HALL

A lecture hall is a large room used for instruction, unlike a traditional classroom with a capacity about 120 Students, the capacity of lecture halls is typically measured in the hundreds. Lecture halls have a pitched floor, so that those in the rear are sat higher than those at the front, allowing them to see the lecturer. Sanskaram Ayurvedic College offers courses exclusively centered on their design.

Lecture hall differ from seminar room in that it allow for little versatility in use, although it is on less flexible than for example, chemistry laboratories. Experimentation, group work, and other contemporary educational methods are not practicable in a lecture hall.

## FACULTY & STAFF

Sanskaram Ayurvedic Medical College maintains an optimal ratio of adept, well-trained faculty members well-versed in modern technology. The institution also ensures an ample presence of non-technical staff, fostering a self-learning atmosphere for students. The faculty members from Sanskaram Ayurvedic Medical College Jhajjar, Haryana, play a vital role in upholding and advancing the institution's standards in medical education. Complying with relevant policies, the entire campus faculty contributes significantly to the institution's commitment to academic excellence.

- Describe appropriate care based on the best available scientific evidence.
- Reduce inappropriate variation in value-based practices
- Encourage more sensible and practical behaviour when learning about a subject.
- Emphasizing the importance of ongoing education and learning.
- Encourage using resources wisely and efficiently.
- Serve as the centre for ensuring quality and conducting audits.

## HERBAL GARDEN FACILITIES

At our Ayurvedic Medical College, we have a Herbal Garden spread across more than 4000 sq. mt. We take immense pride in maintaining this well-structured garden, which forms an essential part of our academic and therapeutic ecosystem. The garden serves as a living laboratory, offering students, researchers, and practitioners valuable hands-on experience with a wide variety of medicinal plants used in Ayurveda.

### Key Features:

- Diverse Collection of Medicine from Plants
- Plant Identification and Labelling
- Academic Integration
- Cultivation and Conservation
- Research Support
- Eco-Friendly and Therapeutic Environment

## SANSKARAM TEACHING AYURVEDA HOSPITAL

Sanskaram Teaching Ayurveda Hospital is an integral part of the Sanskaram Ayurvedic Medical College, dedicated to offering a comprehensive and practical learning environment for students pursuing the BAMS program. The hospital functions not only as a center of healing but also as a dynamic learning platform where classical Ayurveda is practiced, taught, and integrated with modern diagnostic tools.

❁ **Academic Excellence Meets Clinical Practice:** Designed in accordance with the norms of the National Commission for Indian System of Medicine (NCISM), the hospital serves as a core clinical training ground for BAMS students. It bridges the gap between theoretical knowledge and hands-on clinical experience, ensuring that students are well-prepared to serve society as competent Ayurvedic physicians.

❁ **Facilities and Infrastructure :**

- 100+ Bedded Ayurvedic Hospital with fully functional OPD and IPD facilities
- Separate departments (Kaya Chikitsa, Shalya Tantra, Shalakya Tantra, Prasuti & Striroga, Kaumarbhritya, Panchakarma, etc.)
- Modern diagnostic lab, ECG, X-ray, and pathology services
- Fully equipped Panchakarma unit for practical training and patient care
- Herbal garden with over 200 medicinal plant species for botanical study and practical understanding
- In-house Pharmacy for preparation of classical Ayurvedic formulations

❁ **Focus on Ethical & Holistic Healing :**

True to the spirit of Ayurveda, Sanskaram Teaching Hospital emphasizes ethical practice, patient-centered care, and the integration of mind, body, and spirit in the healing process. Our students are trained not only to treat diseases but also to uphold the values of empathy, discipline, and lifelong learning.

### ❀ **Clinical Training Highlights**

- Daily OPDs in all major Ayurveda specialties
- Regular case presentations, ward rounds, and clinical seminars
- Exposure to classical Ayurvedic diagnostic methods such as Nadi Pariksha, Muta-Pariksha, and Rogi-Roga Pareeksha
- Hands-on Panchakarma procedures under expert guidance
- Internship training with active patient participation in hospital services

### ❀ **Community Health and Outreach: Sanskaram Teaching Hospital is also involved in various community outreach programs, including:**

- Free health camps and rural mobile clinics
- School health programs and wellness awareness drives
- Promotion of preventive and promotive health practices through Ayurveda
