Late Shri Master Dayanand Ji
1942 - 2004

The Sanskaram Group of Institutions, established by the Master Dayanand Memorial Educational Trust, stands as a testament to the indomitable courage and indefatigable efforts of its Chairman, Dr. Mahipal. This initiative was created in loving memory of his father, Shri Master Dayanand, a doting father as well as a passionate educationist, philanthropist, and visionary leader. Shri Master Dayanand dreamed of establishing a conglomerate of educational institutions that exemplify quality and innovation, nurturing students with the knowledge and competence to script their success stories. The foundation of realising this dream was laid by Dr. Mahipal in 2015 with the establishment of Sanskaram Public School in Khatiwas, Haryana. Since then, the Sanskaram family has grown by leaps and bounds, with the addition of Sanskaram International School, Patauda in 2019, Sanskaram College of Veterinary & Animal Husbandry in 2021, and many more institutions—Sanskaram Degree College, Sanskaram Law College, and Sanskaram College of Pharmacy in 2023. The long cherished dream of late Master Dayanand reached fruition with the establishment of Sanskaram Hospital and Trauma Centre in 2022 and Sanskaram University in 2024.

“Education is the key to success in life, and teachers make a lasting impact in the lives of their students.”

Greetings!

Dear Students, Faculty Members and Stakeholders,

It is with immense pride and joy that I welcome you to Sanskaram University. Our journey in the field of education has been fueled by passion and a steadfast commitment to nurturing holistic growth in every individual who walks through our doors. Education is not just a pathway to knowledge; it's a journey of self-discovery, empowerment, and transformation. We believe in providing our students with a holistic education that furnishes them with the knowledge, skills, and values required to be successful in today's rapidly changing world. Our high-tech campus, modern infrastructure, and energetic student life offer an environment for learning, growth, and development. I invite you to explore our website to discover more about Sanskaram University, its various programmes, and the numerous opportunities we offer. I look forward to celebrating the triumphs, achievements, and successes of our students and faculty. Our focus on research and innovation is reflected in various centers of excellence, research clusters, and versatile programs. We encourage our students and faculty to engage in research that addresses critical challenges faced by society, fosters innovation, and contributes to knowledge creation. Whether you are a prospective student, a current student, a member of our faculty or staff, or one of our alumni, we are committed to providing you with an exceptional educational experience that will prepare you for success in all aspects of your life. As Chancellor, I am enthusiastic about the journey ahead and the remarkable milestones we will achieve together.

Dr. Mahipal - Chancellor

Message from the

Pro Chancellor

**"Our Foundation Lies in Innovation,
Values, and Purpose."**

Greetings from Sanskaram University!

It is my privilege to welcome you to Sanskaram University— a place where aspirations are nurtured, potential is discovered, and futures are shaped with purpose.

Choosing a university is one of the most significant decisions in a student's life, as it lays the foundation for both personal growth and professional success. At Sanskaram University, we are dedicated to providing an environment that empowers students to learn, explore, and evolve into confident individuals prepared to meet the challenges of an ever-changing world.

True to the essence of our name, Sanskaram stands for values, discipline, and holistic development. Along with academic excellence, we place great emphasis on character building, ethical leadership, creativity, and social responsibility. We believe that education must nurture not only the mind but also the spirit of innovation, resilience, and compassion.

Our vibrant campus life, enriched with cultural activities, sports, skill-development initiatives, workshops, seminars, and practical learning opportunities, ensures that students receive a balanced and enriching educational experience. We strive to create an atmosphere where every learner feels inspired, supported, and motivated to achieve excellence.

As you become a part of the Sanskaram family, I encourage you to embrace every opportunity with enthusiasm and determination. Your years here will be instrumental in shaping your dreams into accomplishments.

I wish you a rewarding academic journey and a future filled with success and distinction.

PROF. (Dr.) Gurdial Singh

Pro Chancellor, Sanskaram University

Message from the

Vice Chancellor

**"Our Mission to Empower
Minds is Continuous."**

Welcome to Sanskaram University.

In an era defined by rapid technological advancement and global transformation, higher education carries the responsibility of preparing learners not just for employment, but for leadership in a constantly evolving world. At Sanskaram University, we are committed to creating an academic ecosystem that inspires intellectual curiosity, innovation, and purposeful action.

Our vision is to build a centre of excellence where academic rigour is complemented by interdisciplinary learning, research-driven inquiry, and industry-oriented education. We continuously strive to integrate emerging technologies, experiential learning methodologies, and global perspectives into our academic framework to ensure that our students remain future-ready.

The foundation of our university rests on the belief that true education extends beyond classrooms. It is reflected in the ability to think critically, act ethically, and contribute meaningfully to society. Through our emphasis on innovation, entrepreneurship, collaborative learning, and social responsibility, we seek to nurture leaders who can create lasting impact.

At Sanskaram University, every student is encouraged to challenge conventions, explore possibilities, and unlock their fullest potential. The journey you begin here is one of transformation— one that will shape not only your professional future but also your role as a responsible contributor to the nation and the world.

I invite you to become a part of this vibrant academic community and join us in our pursuit of knowledge, excellence, and innovation.

Wishing you success in all your endeavours.

PROF. (Dr.) Ajit Singh

Vice Chancellor, Sanskaram University

“ At Sanskaram University, Our Pursuit
to discover Excellence is Inevitable ”

Institutional Milestones: A Journey of Excellence & Growth

The journey of Sanskaram Group began with the establishment of Sanskaram Public School, Khatiwas, Jhajjar, marking the first step toward providing quality education. From there, the vision expanded, leading to the creation of various colleges, a hospital, and ultimately the establishment of a university. Each institution within the Sanskaram Group reflects our commitment to excellence in education, healthcare, and research. Over the years, Sanskaram has grown into a dynamic educational ecosystem, shaping the future of thousands of students and contributing to the development of both individuals and society. This ongoing journey continues to inspire and empower students, fostering a legacy of leadership, innovation, and community service.

Overview of Sanskaram University

Sanskaram University, established in 2024, is an esteemed institution, under the Haryana Private Universities Act 2006 (Haryana Act No. 3 of 2024), demonstrating a strong commitment to academic excellence and holistic development. Recognized by the University Grants Commission (UGC) under section 2(I) of the UGC Act 1956, our campus is strategically located just 40 km from the bustling New Delhi International Airport. We take pride in our comprehensive accreditations and approvals from esteemed statutory bodies such as the Bar Council of India (BCI), Pharmacy Council of India (PCI), National Commission for Indian System of Medicine (NCISM) and Veterinary Council of India (VCI). We offer diverse range of programmes, including B.Tech with specialisations in cutting-edge fields like Artificial Intelligence and Data Science as well as courses in Law, Pharmacy, Agriculture, Management, Hospitality, Basic and Applied Sciences, Health & Allied Sciences, Veterinary Science and Bachelor of Ayurvedic Medicine and Surgery (BAMS).

These programs are designed to prepare our students to lead in an ever-evolving global landscape. Sanskaram University fosters meaningful partnerships with industry leaders such as Apple, Microsoft, Airports Authority of India, Ria Generics (UK), Wave Pharma (UK), Grayquest, Digital Kissan Farming, Indo-US Agriseeds, Radisson Blu, facilitating invaluable academic collaborations, internships and international exchange programmes.

Moreover, Sanskaram University is committed to nurturing aspiring civil servants and professionals by offering free coaching for UPSC Examination, Haryana Civil Services Examination, Judicial Examinations, and various competitive exams. In our pursuit of academic excellence and social responsibility, we strive to make quality education accessible to all by offering scholarships of up to 100% to meritorious students. We believe in empowering our students to realize their full potential and shape a future driven by innovation, leadership and social impact, leaving a lasting mark on society.

Schools and Academic Programmes Overview

Sanskaram University, located in Haryana and approved by Government of Haryana is recognised as a leading multidisciplinary higher education institution in the country.

Sanskaram University welcomed its first batch of students in 2024. The University aims to become an internationally recognized institution that excels in multidisciplinary and interdisciplinary education, research, and innovation. Graduates from the university will possess deep knowledge in their chosen fields, strong problem-solving abilities, effective teamwork skills, excellent communication skills, and a life long commitment to learning. The University has developed a forward-looking curriculum that spans diverse programmes in the fields of Veterinary Science, Medical, Engineering and Technology, Health & Allied Sciences, Law, Management and Commerce, Pharmacy, Liberal Education and Agriculture.

Furthermore, Sanskaram University promotes collaborative learning through project-based approaches that require interdisciplinary inputs from various disciplines, reflecting the complexity of real-world challenges. It has established partnerships with local and global communities to address pressing social issues through service learning, internships, and community-based research. In addition to its wide range of academic programmes, the university offers programmes and sessions in mindfulness, yoga, and holistic health to support the physical, emotional, and spiritual well-being of students.

Sanskaram University is unwavering in its commitment to prioritizing students above all else. With a low student-to-faculty ratio, the university ensures personalized mentoring and individual academic support for every learner. The focus on students' success is a key reason why Sanskaram University is regarded as one of the leading private universities in Haryana.

Sanskaram School of Medical Sciences

The Bachelor of Medicine and Bachelor of Surgery (MBBS) is a comprehensive undergraduate medical programme that integrates basic sciences with clinical practice. Students gain a strong foundation in medical knowledge while developing diagnostic, clinical, communication, and professional skills through structured classroom learning and supervised patient care.

NAME OF THE PROGRAMME	DURATION	ELIGIBILITY	FEES/YEAR
Bachelor of Medicine and Bachelor of Surgery (MBBS)	4½ Years Academic + 1 Year Compulsory Rotatory Internship	NEET Qualified	1900000.00 * 10% annual increase

The curriculum follows the Competency-Based Medical Education (CBME) framework, promoting early clinical exposure, integrated teaching, self-directed learning, and continuous assessment.

Pre and Para Clinical Departments

A comprehensive learning ecosystem that combines cutting-edge laboratories, digital resources, and simulation-based training to strengthen the fundamentals of medical education includes:

- Fully equipped laboratories
- Air-conditioned lecture halls with smart technology and demonstration rooms
- Skill laboratory
- Auditorium and seminar halls
- Central library with extensive print and digital resources

Our Hospital

The attached multi-specialty teaching hospital with the state-of-art facilities and serves as the cornerstone of clinical education, offering students extensive real-world experience under the guidance of experienced clinicians.

Hospital Highlights

- Multi-specialty tertiary care hospital
- HIMS Complete networking
- Outpatient and inpatient services
- Emergency and trauma care
- 24×7 emergency services
- Intensive Care Units (ICU, NICU, PICU)
- Modular operation theatres
- Labour and delivery suites
- Blood bank
- Advanced diagnostic laboratories
- Digital radiology services (CT, MRI, Ultrasound, and X-ray)
- Pharmacy services
- Preventive and community healthcare programmes
- Regular Community Services

Sanskaram Ayurvedic Medical College & Hospital

Sanskaram University in Jhajjar, Haryana, offers a comprehensive Bachelor of Ayurvedic Medicine and Surgery (BAMS) program that integrates classical Ayurvedic principles with modern medical science. This full-time undergraduate program spans five years, including a compulsory 12-month internship, and provides students with strong theoretical knowledge along with extensive practical experience in holistic healthcare. The curriculum encompasses key areas of Ayurveda such as herbal pharmacology, Panchakarma therapies, diagnostic techniques, and patient care. Students gain hands-on clinical training through the availability of the Sanskaram Hospital and Trauma Centre on campus, enabling real-time exposure to patient diagnosis and treatment. Additionally, practical training at the on-campus Health and Wellness Retreat further enhances students' therapeutic and clinical skills. Together, these facilities equip students to diagnose and treat ailments using natural and holistic approaches, preparing them to become competent and licensed Ayurvedic practitioners.

NAME OF THE PROGRAMME	DURATION	ELIGIBILITY	FEES/YEAR
Bachelor of Ayurvedic Medicine and Surgery	4½ Years + 1 Year Internship	NEET Qualified	490000.00

Health & Wellness Retreat Centre

Wellness Learning in Action: Students undergo hands-on practical training at the Health and Wellness Retreat Centre on campus.

Herbal Garden & Botanical Learning

Nature's Pharmacy in Bloom: Herbal Garden featuring over 200 medicinal plant species, supporting botanical study, plant identification, labelling, and research-based learning.

Sanskaram Hospital & Trauma Centre

Clinical Learning Beyond Books: Students gaining practical clinical skills at the Sanskaram Hospital and Trauma Centre through direct patient interaction.

Panchakarma Unit

Healing Through Practical Training: Fully equipped Panchakarma unit providing practical training and hands-on experience in therapeutic procedures and patient care.

In-house Ayurvedic Pharmacy

Tradition Meets Modern Preparation:

In-house pharmacy facilitating the preparation of classical Ayurvedic formulations as part of practical training.

School of Engineering and Technology

The School of Engineering & Technology stands as an eminent centre of academic distinction and research excellence, dedicated to nurturing future-ready engineers, technocrats, innovators, and visionaries. The School harmonises robust theoretical frameworks with experiential, application-oriented, and inquiry-driven learning, ensuring that its graduates are well equipped to address the multifaceted technological challenges of an increasingly globalised world.

Rooted in the ethos of academic integrity, intellectual rigour, ethical consciousness, and creative scholarship, the School of Engineering & Technology fosters an innovation-centric ecosystem where technology, sustainability, and human ingenuity converge to drive transformative progress across disciplines and societies.

Towards a Sustainable and Digital Future

The School of Engineering & Technology remains steadfast in its pursuit of academic excellence and technological advancement, fostering globally competent professionals who lead with vision, integrity, and social responsibility.

Through strategic initiatives in Industry 4.0 integration, entrepreneurial incubation, translational research, and global academic collaborations, the School of Engineering & Technology empowers students to transform visionary ideas into impactful technological solutions—thereby shaping a smarter, more interconnected, and sustainable future for humanity.

Industry Collaborations

Driven by its unwavering commitment to delivering world-class education, Sanskaram University has established strategic partnerships through Memoranda of Understanding (MoUs) with leading national and international industry organisations. These collaborations effectively bridge the gap between academia and industry by equipping students with industry-relevant skills, immersive hands-on training, and exposure to global best practices. Through these meaningful alliances, the university ensures that learners are well prepared to thrive in dynamic professional environments and meet the evolving demands of a competitive global workforce.

School of Veterinary Science & Animal Husbandry

The School of Veterinary Science and Animal Husbandry provides students with access to highly qualified faculty, a dedicated ambulatory farm animal unit, a fully equipped diagnostic unit, and a specialized post-mortem unit to support their clinical studies. A key strength of the programs offered by the School is the emphasis on practical learning, particularly through small-group teaching.

NAME OF THE PROGRAMME	DURATION	ELIGIBILITY	FEES/YEAR
Bachelor of Veterinary Science & Animal Husbandry	4½ Years + 1 Year Internship	NEET QUALIFIED	600000.00
Diploma in Veterinary Laboratory Technology	2 Years	10+2 with 50% Marks	100000.00
Diploma in Veterinary Live Stock Development	2 Years	10+2 with 50% Marks	150000.00
Master of Veterinary Science	2 Years	UG with 50% marks in respective discipline	320000.00

Outpatient Unit

Provides clinical services in Surgery, Medicine, and Gynaecology and Obstetrics, offering students exposure to a wide range of routine veterinary cases.

In-Patient Unit

Offers facilities for post-operative care and the management of critically ill animals, ensuring continuous clinical monitoring and care.

Ambulatory Unit

Veterinary Clinical Complex (VCC) regularly extends veterinary services to neighbouring villages across Haryana, promoting community engagement and field-based practical learning.

Imaging Unit

Equipped with advanced diagnostic facilities such as Video Endoscopy, Ultrasonography (USG), and a computerized radiographic system.

Veterinary Diagnostic Laboratory

Capable of handling clinical samples and conducting routine diagnostic investigations, supported by automated biochemical and haematology analysers.

Operation Theatre

Fully equipped for minor surgical procedures and includes a gaseous anaesthetic machine suitable for small animals.

Orthopaedic surgery in canines at the Veterinary Clinical Complex (VCC): Showcasing advanced surgical facilities and providing hands-on clinical training to students under expert supervision of faculty.

Medical Shop

Ensures the availability of essential pharmaceutical drugs to support clinical services and veterinary training.

Anti-rabies Vaccination Camp : organised at the District Veterinary Hospital, Gurugram — promoting animal health awareness while providing students with valuable field-based clinical exposure.

School of Law and Legal Studies

The School of Law and Legal Studies at Sanskaram University is a dynamic center for legal education, research, and practice, dedicated to nurturing future leaders in the field of law. With a vision to provide excellence in legal education, the school is committed to fostering an environment that emphasizes critical thinking, ethical practice, and societal responsibility. The School organises extensive interactions with legal luminaries (Judges/Advocates/Professors) & frequent visits to the Supreme Court, High Courts and District Courts. Moot courts and debates, conducted under the expert guidance of qualified faculty, are designed to enhance students' legal aptitude and critical thinking skills. Through the strategic and committed efforts, we are shaping the career of students by providing plethora of co-curricular activities in conjunction with classroom teaching.

The University offers a prestigious Germany-based internship programme that provides students with valuable international exposure and advanced professional experience. This three-month internship enables participants to work with reputed organisations in Germany, gain hands-on industry insights, and strengthen their global employability. Through this initiative, the University fosters global competencies and prepares students for successful careers in an increasingly interconnected professional landscape.

LinkedIn Workshop: Personal Branding Strategies on LinkedIn
An engaging session was organised to empower students with practical insights to build a strong professional identity, enhance visibility, and effectively leverage LinkedIn for career growth.

Commodity Market Seminar: Understanding and Investing in the Commodity Market

An insightful session led by Mr. Gulshan Goel, Ex-Banker, Central Bank of India, equipped students with practical knowledge of commodity markets, investment fundamentals, risk assessment, and informed financial decision-making.

School of Liberal Education

The School of Liberal Education is dedicated to promoting a deeper understanding of the human experience through a robust interdisciplinary approach. Its programmes combine theoretical, observational, and experiential learning to explore societal challenges and global complexities. Recognising the value of a multifaceted approach, the School cultivates students' critical thinking, analytical reasoning, and creative engagement by integrating knowledge across disciplines, equipping them to respond thoughtfully to contemporary challenges.

School of Health and Allied Sciences

The School of Health and Allied Sciences is dedicated to excellence in education, research, and professional practice across the domains of healthcare, allied health professions, and biomedical sciences. The School is committed to fostering interdisciplinary collaboration and offers a diverse range of programs, including Medical Laboratory Technology, Radio Imaging Technology, Operation Theatre Technology, Optometry, Cardiovascular Technology, and related fields.

Our curriculum is designed to deliver rigorous academic training complemented by extensive hands-on clinical experience, ensuring that students receive a comprehensive and practice-oriented education. Students further benefit from the advanced healthcare facilities of Sanskaram Hospital, located within the university premises, which provides direct clinical exposure, training, and comprehensive medical support. The School also provides cutting-edge research opportunities, enabling students to engage in innovative studies that advance the frontiers of health and allied sciences.

We strive to prepare our students to become compassionate, ethical, and highly skilled healthcare professionals. Our graduates are equipped with the knowledge, technical expertise, and professional competence required to make meaningful contributions to human health and the overall well-being of society.

NAME OF THE PROGRAMME	DURATION	ELIGIBILITY	FEES/YEAR
Diploma in Medical Laboratory Technology	2 Years	10+2 with 50% marks in PCB with English as one of the Subjects	50000.00
Bachelor of Science (Medical Laboratory Technology)	3 Years +1 Year Internship	10+2 with 50% marks in PCB with English as one of the Subjects	75000.00
Bachelor of Science (Medical Radiography & Imaging Technology)	3 Years +1 Year Internship	Same as above	75000.00
Bachelor of Science (Anaesthesia & Operation Theatre Technology)	3 Years +1 Year Internship	10+2 with 50% marks in PCB/PCM with English as one of the Subjects	75000.00
Bachelor of Science (Optometry)	4 Years +1 Year Internship	10+2 with 50% marks in PCB/PCM with English as one of the Subjects	75000.00
Bachelor of Science (Cardiovascular Technology)	3 Years +1 Year Internship	10+2 with 50% marks in PCB with English as one of the Subjects	75000.00

NAME OF THE PROGRAMME	DURATION	ELIGIBILITY	FEES/YEAR
Master of Science (Medical Radiography & Imaging Technology)	2 Years	Bachelor's Degree with 50% marks in respective discipline	80000.00
Master of Science (Anaesthesia & Operation Theatre Technology)	2 Years	Same as above	80000.00
Master of Science (Optometry)	2 Years	Same as above	80000.00
Master of Science (Cardiovascular Technology)	2 Years	Same as above	80000.00

Clinical Learning in Practice: Students gaining practical laboratory training under expert guidance of faculty.

From Classroom to Clinic: Students applying theoretical knowledge through hands-on training in haematology lab.

Sanskaram College of Pharmacy

Sanskaram College of Pharmacy, affiliated to the Pharmacy Council of India (PCI) is a center of excellence dedicated to shaping the next generation of pharmacy professionals. Committed to nurturing future-ready professionals, the School provides an intellectually stimulating environment that inspires inquiry, innovation, and integrity.

With cutting-edge laboratories, modern research infrastructure, and a team of highly qualified faculty members, the School bridges the gap between scientific theory and real-world pharmaceutical practice. Its dynamic curriculum is aligned with global pharmaceutical standards and is designed to foster expertise in areas such as drug design and discovery, formulation and development, regulatory affairs, clinical research, and pharma covigilance.

The School ensures a comprehensive academic experience enriched by hands-on training, industry exposure, and research opportunities. Students are encouraged to develop not only technical competence but also ethical responsibility and compassion—qualities essential for modern healthcare professionals.

NAME OF THE PROGRAMME	DURATION	ELIGIBILITY	FEES/YEAR
Diploma in Pharmacy	2 Years	10+2 with 50% marks in PCB/PCM with English as one of the subjects	90000.00
Bachelor of Pharmacy	4 Years	Same as above	100000.00

Where Science Meets Service: Celebrating the hands that heal

Translating Theory into Practice: Pharmacy students strengthening clinical competencies through laboratory training.

Showcasing Knowledge, Inspiring Discovery: Students presenting posters at a Conference.

School of Physiotherapy

At the School of Physiotherapy of Sanskaram University, we are dedicated to shaping the future of healthcare by providing top-tier education and training in the field of physiotherapy. Our programs are designed to equip students with comprehensive knowledge, practical skills, and the professional demeanour necessary to excel in various healthcare settings. With state-of-the-art facilities, experienced faculty, and a commitment to research and innovation, we strive to produce highly competent physiotherapists who are ready to meet the challenges of modern healthcare. Join us to embark on a rewarding journey toward making a significant impact on patients' lives and the community.

NAME OF THE PROGRAMME	DURATION	ELIGIBILITY	FEES/YEAR
Bachelor of Physiotherapy	4 Years + 1 Year Internship	10+2 or equivalent examination with PCB min. 50% marks and English as one of the Subjects	150000.00

Training Beyond Textbooks: Experiential learning in patient care and clinical procedures.

Simulating Care, Shaping Skill: Students mastering clinical skills through hands-on demonstration

School of Agriculture

The School of Agriculture offers a comprehensive, interdisciplinary education that prepares students for various key sectors within agriculture and related fields. The curriculum seamlessly blends theoretical knowledge with hands-on practical experience, promoting expertise in crop production, plant sciences, agricultural economics, extension, and sustainable innovations. The School emphasizes critical thinking, problem-solving, and industry exposure to address modern agricultural challenges.

NAME OF THE PROGRAMME	DURATION	ELIGIBILITY	FEES/YEAR
Bachelor of Science (Hons.) Agriculture	4 Years	10+2 with 50% marks in PCB/PCM with English as one of the subjects	80000.00
Master of Science (Agriculture)	2 Years	Bachelor's Degree with 50% marks in respective discipline	80000.00
Doctor of Philosophy(Agriculture)	As per UGC	PG with 55% marks in respective discipline	130000.00

Exploring Agripreneurship: Students at the Agribusiness Incubation Centre gaining exposure to innovation-driven business opportunities.

Learning Beyond Classrooms: Students engaging with ideas for a sustainable future at the Save the Earth Conclave, ICAR-PUSA, Delhi

Spreading Knowledge, Strengthening Agriculture: Empowering farmers by organising Farmers' Awareness Camp

Ornamental Garden Planning:
Students working on a miniature
garden model.

Immersed in learning: Students
explore Nehru Library at HAU, Hisar

Seeds of Progress: Students gaining
Industry exposure at Rabi Krishi Mela,
HAU, Hisar

Field Practical in Progress: Students
bridging theory with real-world
experience

**Hands in the Soil, Hope in the
future:** Students actively
participating in a plantation drive.

School of Hospitality

The School of Hospitality is where excellence in education, innovation, and industry collaboration come together to shape the future of global Hospitality Management. The core modules of the syllabus for various programmes encompass key aspects of hotel management at an international level, including human resources, operations management, and restaurant management. Additionally, we organize activities such as hotel visits, guest speaker sessions, and industry mentoring programs to enhance the students' learning experience. As part of our global training initiatives, the School has signed an MoU with the five-star hotel Radisson Blu, Greater Noida.

NAME OF THE PROGRAMME	DURATION	ELIGIBILITY	FEES/YEAR
Bachelor of Hotel Management and Catering Technology	4 Years	10+2 with 50% marks with English as one of the subjects	100000.00
Bachelor of Arts (Hons.) (Culinary Arts)	4 Years	Same as above	100000.00
Bachelor of Science (Hons.) (Hospitality Administration)	4 Years	Same as above	125000.00
Bachelor of Arts (Hons.) (Hospitality Administration)	4 Years	Same as above	125000.00
Master of Hotel Management and Catering Technology	2 Years	Bachelor's Degree with 45% Marks	110000.00

School of Skill & Vocational Courses

The School of Skill and Vocational Courses is a forward-thinking institution dedicated to empowering students with practical skills and industry-ready knowledge. Designed to bridge the gap between education and employment, the school focuses on equipping students with hands-on expertise, fostering entrepreneurship, and enabling them to thrive in a competitive global economy. Real-world practice in simulated work environments and collaborations with leading industries ensures students are trained in line with market trends and technological advancements.

NAME OF THE PROGRAMME	DURATION	ELIGIBILITY	FEES/YEAR
Diploma in Music	2 Years	10+2 with 45% marks with English as one of the subjects	40000.00
Bachelor of Vocation (Interior Design)	3 Years	Same as above	50000.00
Bachelor of Vocation (Fashion Design)	3 Years	Same as above	50000.00
Bachelor of Vocation (Computer Application)	3 Years	Same as above	50000.00
Bachelor of Vocation (Health Care)	3 Years	Same as above	50000.00
Bachelor of Vocation (Hospital Management)	3 Years	Same as above	50000.00
Bachelor of Vocation (Aviation Management)	3 Years	Same as above	50000.00
Bachelor of Vocation (Software Development)	3 Years	Same as above	50000.00
Bachelor of Vocation (Beauty and Wellness)	3 Years	Same as above	50000.00
Bachelor of Vocation (Physiotherapy)	2 Years	Same as above	50000.00
Bachelor of Vocation (Health Care)	2 Years	Same as above	50000.00
Bachelor of Vocation (Fire & Industrial Technology)	2 Years	Same as above	50000.00

NAME OF THE PROGRAMME	DURATION	ELIGIBILITY	FEES/YEAR
Master of Vocation (Interior Design)	2 Years	B. Voc in respective discipline	50000.00
Master of Vocation (Fashion Design)	2 Years	Same as above	50000.00
Master of Vocation (Computer Application)	2 Years	Same as above	50000.00
Master of Vocation (Hospital Management)	2 Years	Same as above	50000.00
Master of Vocation (Aviation Management)	2 Years	Same as above	50000.00
Master of Vocation (Software Development)	2 Years	Same as above	50000.00
Master of Vocation (Beauty and Wellness)	2 Years	Same as above	50000.00
Master of Vocation (Physiotherapy)	2 Years	Same as above	50000.00
Master of Vocation (Fire & Industrial Technology)	2 Years	Same as above	50000.00

School of Basic and Applied Sciences

The School of Basic and Applied Sciences is dedicated to enhancing our comprehension of the physical world by excelling in observational, theoretical, and experimental sciences. It employs a diverse range of quantitative, qualitative, and integrated methodologies to tackle scientific challenges. Our academic offerings encompass a broad spectrum of undergraduate, postgraduate, and doctoral programs in various basic science fields such as Physics, Chemistry, Mathematics, Botany, Zoology, and Forensic Science. Aligned with the National Education Policy (NEP) 2020 from the University Grants Commission (UGC), the undergraduate and postgraduate programs are thoughtfully crafted, providing multiple entry and exit options for students.

The School of Basic and Applied Sciences offers a vibrant and hands-on laboratory environment where students learn science by actually doing it. The laboratories are thoughtfully designed to make concepts come alive, helping students move beyond textbooks and experience the excitement of experimentation and discovery. Teaching combines lectures with practical demonstrations, laboratory work, problem-solving sessions, case studies, and project-based learning.

NAME OF THE PROGRAMME	DURATION	ELIGIBILITY	FEES/YEAR
Bachelor of Science (Pass)	3 Years	10+2 with 45% marks in Science Stream with English as one of the subjects	50000.00
Bachelor of Science (Hons.) (Life Science)	4 Years	Same as above	55000.00
Bachelor of Science (Hons.) (Genetics)	4 Years	Same as above	55000.00
Bachelor of Science (Hons.) (Zoology)	4 Years	Same as above	55000.00
Bachelor of Science (Hons.) (Physics)	4 Years	Same as above	55000.00

इज्जर(वि)। शिक्षा के क्षेत्र में उल्लूक योगदान देने के लिए संस्कारम युग की वाहस चैयमेन सुमन यादव को हरियाणा प्रदेश के माननीय मुख्यमंत्री नाथन शिमी ने प्रतिष्ठित पुरस्कार से सम्मानित किया गया। इस अवसर पर मुख्यालयी ने कहा कि संस्कारम विश्वविद्यालय (विश्व) शिक्षा के क्षेत्र में जिस तरह से नवाचार कर रहा है और छात्रों को ठाय गुणवत्ता वाली शिक्षा प्रदान कर रहा है, वह सहाचर्य है। शिक्षा के इस स्तर को ऊँचा उठाने के लिए जो यथासंभव किए जा रहे हैं, वे आने वाली पीढ़ी के लिए एक मजबूत नींव तैयार करेंगे। वाहस चैयमेन श्रीमती सुमन यादव ने कहा कि यह सम्मान पूरे संस्कारम परिवार के लिए गर्व का विषय है। हमारा उद्देश्य शिक्षा के क्षेत्र में नए आयाम स्थापित करना और छात्रों को वैश्विक स्तर पर प्रतिस्पर्धी बनाने के

हमारी मूल्य-आधारित शिक्षा, बहु-विषयक अनुसंधान, नवाचार और रचनात्मकता के लिए विश्व स्तर पर मान्यता प्राप्त करना।

इसना लक्ष्य एक जीवित और विधिवतपूर्ण परिसर बनना है, जो बहुवैयर्थी और अंतर्वैयर्थी उद्योग-मण्डल कार्यक्रम प्रदान करत हो। विभिन्न क्षेत्रों के छत्र एक साथ मिलकर अपने विशेषतापूर्ण क्षेत्रों पर सफलतापूर्वक शिक्षा के माध्यम से शिक्षित बनते हैं। यह एक सर्वनाम्न तथ्य है कि किसी भी समाज, अर्थव्यवस्था या देश के विकास के लिए शिक्षा का बहुत बड़ा योगदान है। शिक्षित देशों जैसे अमेरिका, यूके, जापान और रूसी में अपने लंबे वैयर्थीक इतिहास और उच्च गुणवत्ता वाले संस्थानों के माध्यम से यह सिद्ध किया है।
