SANSKARAM AYURVEDIC MEDICAL COLLEGE & HOSPITAL

BACHELOR OF AYURVEDIC MEDICINE & SURGERY (BAMS)

Sanskaram University in Jhajjar, Haryana, offers a comprehensive Bachelor of Ayurvedic Medicine and Surgery (BAMS) program that integrates classical Ayurvedic principles with modern medical science. This full-time undergraduate course spans 4.5 years, & compulsory 12-month internship, providing students with both theoretical knowledge and practical experience in holistic healthcare.

The curriculum encompasses various aspects of Ayurveda, such as herbal pharmacology, Panchakarma therapies, diagnostic techniques, and patient care. Students are trained to diagnose and treat ailments using natural and holistic approaches, equipping them to become licensed Ayurvedic practitioners.

PROGRAM HIGHLIGHTS

- Duration : 4.5 Years Academic Study +
1 Year Mandatory Internship
- Recognised : Approved by NCISM (National Commission for Indian System of Medicine)
Admission through Centralized Counselling
- Eligibility : 12th Pass (PCB)
(NEET QUALIFIED)
- Intake Capacity : 100 seats

INFRASTRUCTURE

Sanskaram Ayurvedic College is equipped with spacious, well-ventilated, and technologically enabled lecture halls designed to provide an engaging and comfortable learning environment. Each lecture hall features tiered seating to ensure clear visibility of the instructor and effective interaction during academic sessions.

Designed in accordance with contemporary educational standards, the lecture halls are furnished with modern teaching aids, including audio-visual equipment, multimedia projection systems, and adequate acoustics to facilitate effective classroom delivery. With ample seating capacity, these halls comfortably accommodate large student groups while promoting an enriching teaching-learning experience.

FACULTY

Sanskaram Ayurvedic Medical College is committed to academic excellence through a team of highly qualified, experienced, and dedicated faculty members who combine traditional Ayurvedic knowledge with modern teaching methodologies and technological expertise. Supported by a competent team of administrative and technical staff, the institution fosters a vibrant, student-centric learning environment that encourages academic growth, critical thinking, and professional development.

The institution is guided by the following core principles:

- Recognise and promote evidence-based practices rooted in the best available scientific knowledge.
- Encourage value-based healthcare practices by reducing unwarranted variations in clinical and academic approaches.
- Empower students to develop practical skills, critical thinking, and lifelong learning habits.
- Emphasise continuous professional development through ongoing education and research.
- Ensure the judicious and efficient utilisation of academic, clinical, and institutional resources.

HERBAL GARDEN

At Sanskaram Ayurvedic Medical College, we have a Herbal Garden spread over more than 4,000 sq. m. We take immense pride in maintaining this well-structured garden, which forms an integral part of our academic and therapeutic ecosystem. The garden serves as a living laboratory, offering students, researchers, and practitioners valuable hands-on experience with a wide variety of medicinal plants used in Ayurveda.

Key Features:

- Diverse Collection of Medicinal Plants
- Plant Identification and Labelling
- Academic Integration
- Cultivation and Conservation
- Research Support
- Eco-friendly and Therapeutic Environment

SANSKARAM TEACHING AYURVEDA HOSPITAL

Sanskaram Teaching Ayurveda Hospital is an integral part of the Sanskaram Ayurvedic Medical College, dedicated to offering a comprehensive and practical learning environment for students pursuing the BAMS program. The hospital functions not only as a center of healing but also as a dynamic learning platform where classical Ayurveda is practiced, taught, and integrated with modern diagnostic tools.

❖ **Academic Excellence Meets Clinical Practice:** Designed in accordance with the norms of the National Commission for Indian System of Medicine (NCISM), the hospital serves as a core clinical training ground for BAMS students. It bridges the gap between theoretical knowledge and hands-on clinical experience, ensuring that students are well-prepared to serve society as competent Ayurvedic physicians.

❖ **Facilities and Infrastructure :**

- 100+ Bedded Ayurvedic Hospital with fully functional OPD and IPD facilities
- Separate departments (Kaya Chikitsa, Shalya Tantra, Shalakya Tantra, Prasuti & Striroga, Kaumarbhritya, Panchakarma, etc.)
- Modern diagnostic lab, ECG, X-ray, and pathology services
- Fully equipped Panchakarma unit for practical training and patient care
- Herbal garden with over 200 medicinal plant species for botanical study and practical understanding
- In-house Pharmacy for preparation of classical Ayurvedic formulations

❖ **Focus on Ethical & Holistic Healing :**

True to the spirit of Ayurveda, Sanskaram Teaching Hospital emphasizes ethical practice, patient-centered care, and the integration of mind, body, and spirit in the healing process.

❖ **Clinical Training Highlights**

- Daily OPDs in all major Ayurveda specialties
- Regular case presentations, ward rounds, and clinical seminars
- Exposure to classical Ayurvedic diagnostic methods such as Nadi Pariksha, Muta-Pariksha, and Rogi-Roga Pareeksha

❖ **Community Health and Outreach:** Sanskaram Teaching Hospital is also involved in various community outreach programs, including:

- Free health camps and rural mobile clinics
- School health programs and wellness awareness drives
- Promotion of preventive and promotive health practices through Ayurveda
